ALL-IN-ONE WATER DISPENSER

Countertop RO

Purified, hot, cold and sparkling water from one machine on your counter. No plumbing. Just fill it and plug it in.

Purified | Hot | Cold | Sparkling

WHAT IT DOES

Four kinds of water. One machine.

Comes in Black or White

Purified

5-stage reverse osmosis filtration

Hot

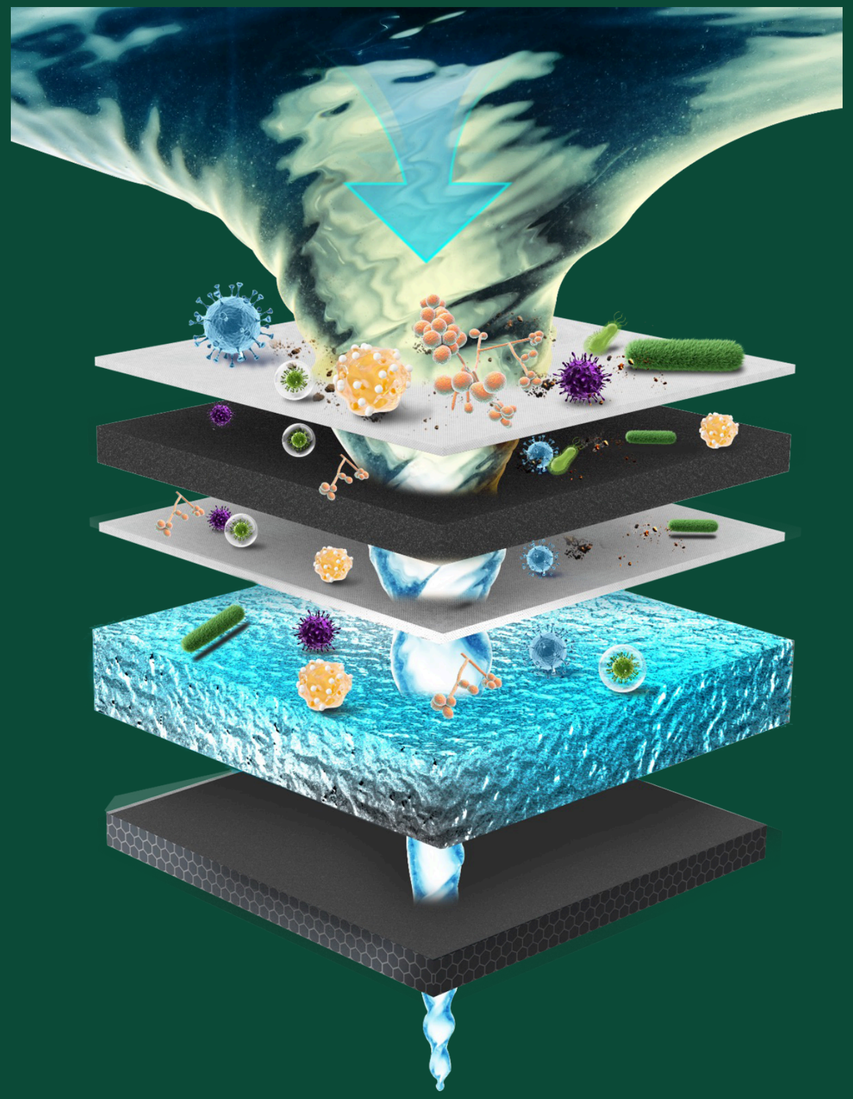

Ready in 3 seconds, up to 203°F

Cold

Chilled down to 45°F

Sparkling

One-touch fizz, 3 strength levels

5-STAGE FILTRATION

Removes up to 99.99% of the bad stuff

- ✓ Lead & heavy metals
- ✓ Bacteria
- ✓ PFAS “forever chemicals”
- ✓ Microplastics

Plus carbon filters that take out chlorine, bad taste and odor.

1	2	3	4	5
Sediment	Carbon	Fine sediment	RO membrane	Carbon polish

HOT & COLD ON DEMAND

Hot in 3 seconds. Ice-cold at 45°F.

3 sec

Hot water with no wait. Heats only what you pour.

45°F

Cold water from the built-in chiller.

14

Temperature settings, from 113°F to 203°F.

One-touch presets

Cold 45°F | Room temp | Warm 113°F | Hot 185°F | Extra hot 203°F

BUILT-IN SPARKLING

Sparkling water at the push of a button

Hold the button for 1 to 3 seconds and it’s ready. No more buying cases of seltzer.

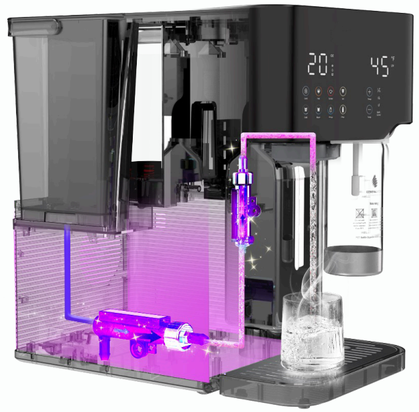

Light	Medium	Strong

3 fizz levels. Uses a standard 0.6 L CO_2 cylinder (sold separately).

CLEAN & SAFE

Every glass is UV-clean

99.999%

UV germ protection

Two UV lights clean the water right before it pours, in both the cold and room-temp lines.

50 oz

Removable clean-water tank

Made with antibacterial material. Pops out for easy cleaning.

SMART & SIMPLE

Made for everyday use

Cup sensing
Screen wakes up when you set a cup down.

11 cup sizes
Pours exactly 2 to 20 oz, or fill a pot.

Night light
Light color shows hot or cold.

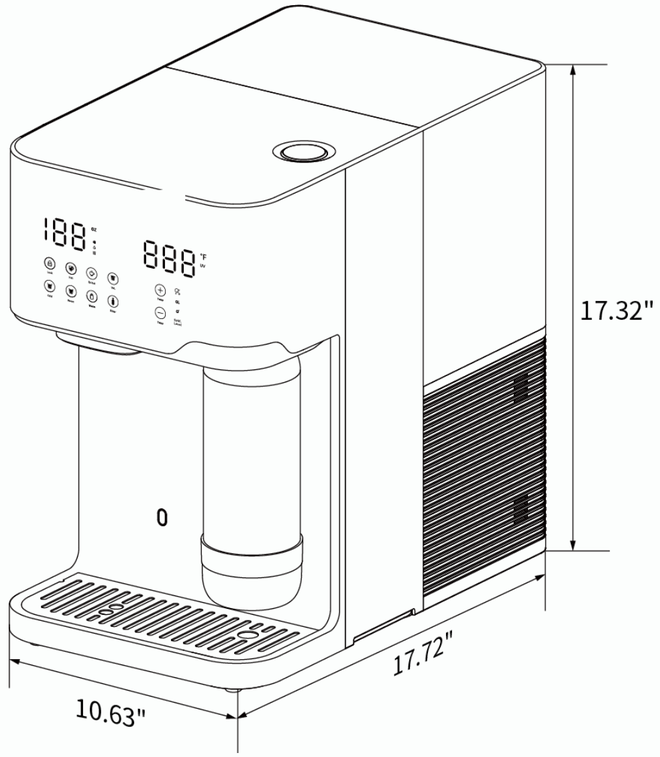

Child lock
Keeps little hands off the hot water.

Filter reminder
Tells you when it’s time for a new filter.

Quiet & tidy
Low noise, with a removable drip tray.
